Professional Summary

I am diligent, hardworking, and I can commit to a job. My goal is to not only make money, but help others as well even if it's just through a small thing just as serving food. I've been around the restaurant industry for as long as I can remember, and I know how to adapt fairly well to directions in work quickly.

I currently have a job. I am a nanny for a 7 year old. I also have over a year of experience ranging between volunteer work such as:

- Sunfest 2023
- Work at my school (G-Star School of The Arts)
(This includes welcoming work such as orientations, club fairs, kitchen work, and after school activities.)
- TCIA (Teen Coalition in Action)
- Compass Gay and Lesbian Community Center
- PRISM Association
- Big Dog Ranch Animal Rescue
